

Come along and sing with me, Creepy crawlies, A to Zee!
Big ones, small ones, buzzing too, Let's discover something new!

[Verse1]

A is for Ant, tiny and bright, It carries its crumbs from morning to night.
B is for Butterfly, fluttering light, It dances on breezes, a colorful sight.
C is for Caterpillar, munching away, It curls on a leaf and naps through the day.
D is for Dragonfly, darting on high, It skims over ponds and zips through the sky.
E is for Earthworm, wriggling in the ground, It helps the soil and makes the earth sound.
F is for Firefly, glowing at night, A tiny bright lantern, a twinkling light.
G is for Grasshopper, hopping up high, It sings with its legs as it leaps to the sky.
H is for Honeybee, buzzing with glee, It makes golden honey for you and me.
I is for Inchworm, looping along, It counts tiny steps in a slow little song.
J is for Jumping spider, leaping with glee, It springs on the leaves for all to see.
K is for Katydid, singing at night, It chirps in the grass till the stars are in sight.
L is for Ladybug, spotted and small, It brings little luck to one and to all.

Come along and sing with me, Creepy crawlies, A to Zee!
Big ones, small ones, buzzing too, Let's discover something new!

[Verse 2]

M is for Millipede, wiggling with glee, So many tiny legs marching with me.
N is for Nursery spider, guarding her thread, She keeps baby spiders safe in their bed.
O is for Orb spider, weaving with care, A circle of silk hanging light in the air.
P is for Praying mantis, still as can be, It folds its front legs like it's praying, you see.
Q is for Queen bee, ruling the hive, She keeps all the worker bees buzzing alive.
R is for Roly-Poly, curling up tight, A tiny round pill bug hiding from light.
S is for Snail, sliding slow and steady, It carries its house and is always ready.
T is for Tarantula, fuzzy and shy, It tiptoes so gently and hides nearby.
U is for Underground Beetle, digging with pride, It tunnels below and hides on the side.
V is for Velvet ant, fuzzy and bright, It looks like a bee and is soft to the sight.
W is for Wasp, building with care, It shapes its paper nest up in the air.
X is for Xylocopa bee, drilling with skill, It bores into wood with patient will.
Y is for Yellowjacket, zipping with zest, It zooms through the garden on a busy quest.
Z is for Zebra spider, hopping with glee, It dances on leaves for you and for me.

Come along and sing with me, Creepy crawlies, A to Zee! Big ones, small ones, buzzing too, Let's
discover something new!

Now we've sung from A to Zee, Thanks for singing along with me!
